BACKGROUND CHECK COPIES FROM BCCU

Dear Assisted Living Facility Administrator:

In accordance with chapter 388-78A Washington Administrative Code (WAC), all long-term care workers hired on or after January 7, 2012 require national fingerprint based background checks. National fingerprint background checks are valid indefinitely if completed by the Background Check Central Unit (BCCU) after January 7, 2012. Applicants/provider staff can request a copy of their national fingerprint background check from BCCU if they had one completed after January 7, 2012.

Applicants/provider staff can request a copy of their background check information from BCCU utilizing DSHS form 27-110. When an applicant/provider staff requests a copy of their previously completed Washington name and date of birth background check or their national fingerprint background check from BCCU, BCCU places a stamp on the background check that states "Not An Original Copy." This practice is related to BCCU's compliance with federal standards and are legitimate copies of previously completed background checks. BCCU will also send a date stamped copy of the applicant's request form (DSHS 27-110) with the accompanying background check information.

Thank you for your continued commitment to resident/client health and safety.
